EMERGENCY TREATMENT FOR SEIZURES:

- Keep Calm.
- Do not restrain student during the seizure
- Protect student from injury:
 - Move hazardous objects out of the way
 - Lower student to the floor
 - Protect head
 - Do not put anything in the student's mouth
- When seizure has subsided, turn onto side gently to keep airway clear.
- Stay with student and provide reassurance and privacy
- **Call 911 if seizure lasts more than 5 minutes, or if student has several seizures in a row.**
- Notify parent/guardian

It is the parent's responsibility to notify the facility of any change in the child's condition.
