

Ready Set Learn 2021

Richmond School District

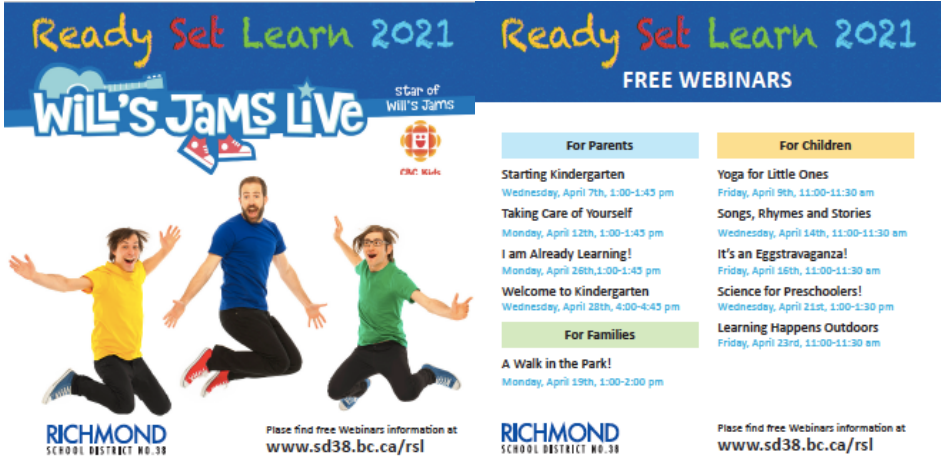

Virtual Events

Dear Families,

We are very happy to invite you and your child (ages 0-5) to our **Richmond School District's Ready Set Learn Events**. Please see the postcard, attached and below, as there are lots of events and activities that we have planned throughout the month of April - and best of all they are all FREE! Included is a Will's Jams Live- a concert with children's performer Will Stroet. **To access the concert and the webinars please go to: www.sd38.bc.ca/rsf**. If your child is starting kindergarten in September we have some webinars just for you! We hope you will join us!

Ready Set Learn is an initiative to support and strengthen the relationship between schools and families, to promote literacy and lifelong learning and to make all families feel welcome. We invite all preschoolers and families to participate in our planned events and webinars.

Sincerely,
 Marie Thom
 Early Learning Consultant
