2) Family Literacy Week – January 26 to February 2

Family Literacy Week is coming up from January 26 to February 2. Reading at home helps with language and brain development, strengthens family relationships, improves imagination and creativity, and leads to academic success! Did you know that reading for only 20 minutes each will expose our children to 1,800,000 words per year!!! Please see the Family Literacy Attachment for more ideas around reading with your children.

3) 2020 Kindergarten Registration Information

Priority 1 registration ends this Friday, January 24th. If you have, or know of someone who has, a child at home entering Kindergarten in the fall but have not yet had a chance to register, please do so ASAP to ensure the best chance of attending Homma this fall!
