## January 2021 Newsletter

### HOMMA ELEMENTARY SCHOOL PARENT ADVISORY COUNCIL

Our Homma PAC is the officially recognized collective voice of parents at our school. All Homma parents and guardians are automatically members of our PAC and are encouraged to become involved in the school, attend PAC meetings and volunteer for fundraisers and events in whatever capacity they are able.

**Happy New Year! We hope everyone had a restful and safe winter break, despite the separation from family and friends and change in traditions. As always, we want to thank our Homma Admin Team, Staff and Parents for their continued support and dedication to our school community!**

**Hello Homma Families!**

**We are reaching out with an update on our Hot Lunch program and next Homma PAC Meeting set for Tuesday, February 16. Please review the important reminders below!**

#### **The Homma Hot Lunch Program is back!**

We have a determined and dedicated team of parent volunteers who strictly follow COVID-19 safety protocols and found a way to successfully bring back our popular Homma Hot Lunch Program. A huge thank you to the Homma Admin Team for their guidance and to teachers for distributing all the lunch orders. We have now secured two vendors, Steveston's Dairy Queen and Pizza Factory, who are able to accommodate our additional packaging and labelling needs. All future Hot Lunch dates and order deadlines have been posted on <https://homma.sd38.bc.ca/parents/pac/calendar> and <https://homma.hotlunches.net/>. Order now for Pizza Day on Friday, February 5. All Feb. 5 Pizza Day orders must be submitted and paid for by January 29.

**Please note:** If you have not created a 2020-2021 school year account, you will need to register for a new one (even if you had one last year). You will also need the school code which is **HEHL**. Please register each child with their correct classroom/division. Orders are always due the Friday before the Hot Lunch Day. Please note that the system has changed this year and it no longer sends notifications about orders or reminders. If you are unsure about your order, you can review it under "Orders" and then "Student Orders."

#### **Save the Date for the February PAC Meeting**

Tuesday, February 16, 6:30 to 8:00 PM. The meeting will take place via Zoom and all are welcome! Zoom Meeting ID: 614 9251 2012 | Passcode: 202102
