September 2026 Student Placement – Parent Input

As we begin planning for student placement for September 2026, staff will gather and share information to support the development of well-balanced classes. Teaching teams invest significant time, care, and professional judgment in making placement decisions that support each student's learning and well-being.

When organizing classes, staff intentionally consider a range of factors, including group dynamics, learning needs, and peer groupings, to support positive relationships, social connections, and academic success.

Many students demonstrate strong resilience and adaptability, and the elementary years provide important opportunities to broaden friendships, develop flexibility, and practise building new peer relationships. Encouraging confidence beyond a single peer group supports long-term growth and smooth transitions.

To support equity and fairness across the school, **parent input should NOT include requests for:**

- Specific teachers
- Specific peer groupings
- Grade configurations or combined classes

All relevant information shared by families will be thoughtfully considered; however, we are not able to guarantee requests. Placement decisions are made using a whole-school perspective, with careful consideration of the needs of all learners.

We recognize that families may have new or important details to share. Parent input is most helpful when it highlights remarkable or significant information - such as details related to a child's learning profile, social-emotional needs, or family circumstances that may not already be known to the school and that could meaningfully inform placement discussions.

If you wish to share significant information about your child, please click the link below and complete the survey before June 5th, 2026.

Information will be shared with teaching staff as part of the placement process. **We will not be accepting email requests** so please contact the office if you need support completing the survey.

Thank you for your continued trust and partnership as we work together to support your child's learning and well-being.

Thank you,
Mr. David & Mlle Lee

GARDEN VOLUNTEERS

SUMMER 2026

We are looking for families to care for our AMAZING garden over the summer! If you are interested in helping to keep our garden growing in July and August, please use the link below to sign up for a week or two of care and watering. Any help is greatly appreciated! Mrs. Regan will be in touch regarding specific details of what will be required (estimated commitment: visit 2 times in your week, 1 hour each time).

Thank you.

Mrs. Sarah Regan
