HOMMA ELEMENTARY SCHOOL PARENT ADVISORY COUNCIL

Fundraising update

Hello Homma Families,

Each year, our Homma PAC provides ongoing support to our school community with funding for technology, school-wide educational events (like the Artist-in-Residence program), sports equipment for outdoor play and the gym, library books, field trips, the Outdoor Classroom, and workshops (about sexual health and internet safety) for students and parents. Because COVID-19 restrictions have limited our ability raise money by hosting fun events, like our Halloween Dance and spring carnival, and the Hot Lunch Program, we are offering fall, winter and spring fundraisers. To sustain our PAC-funded initiatives for Homma, the Homma PAC is inviting your support through several offerings this school year.

We are kicking off our fall campaign today!

Dinner made easy! Purchase Steveston-crafted, locally-sourced, ready to heat and serve savory pies from Mr. Cooper's Pies. Order by **Friday, October 22** and pick up from school on **Thursday, October 28**. The PAC will receive 25% of all sales.

Have you tried **74CO5**? This Steveston family-run business offers delicious Mexican delights delivered directly to your door. All you need to do is order online (<https://www.74co5.com/online-ordering>) **anytime this school year** and put "Homma" in the "Special requests" section. 15% of all orders will support the Homma PAC. More details below.

Winter is coming

Like previous years, we will be offering both Purdy's and Poinsettias in preparation for the holiday season. Orders will open in November with pick-up in early December.

Spring planning

Back by popular demand! Wong's Nursery will supply amazing flower hanging baskets with pick up in time for Mother's Day and warmer weather. We will also be offering seeds to start your gardens from West Coast Seeds.
