HOMMA ELEMENTARY SCHOOL PARENT ADVISORY COUNCIL

Fundraising Update

Hello Homma Families,

Each year, our Homma PAC provides approximately \$30,000 in ongoing support to our school community with funding for technology, school-wide educational events (like the Artist-in-Residence program), sports equipment, library books, field trips, the Outdoor Classroom, and workshops (about sexual health and internet safety) for students and parents. To sustain our PAC-funded initiatives for Homma, the Homma PAC is inviting your support through several offerings this school year. Thank you for considering the options that work best for your family.

We are kicking off our winter campaign NOW!

Our first **popcorn** day will be **Wednesday, November 16th** right after school. Homma PAC will be selling Buttersalt (vegan, but may contain traces of dairy) popcorn from *Kernels* on a first-come, first-served basis for \$2 per bag (cash only). We will set up at one table near the main entrance and one table near the playground/basketball courts. We hope to see you there!

Order your holiday **poinsettias, floral arrangements or wreaths** now for pick up in front of Homma on Tuesday, December 6th after school. Please place your order online at <https://tomekichihomma.growingsmilesfundraising.com/home>.

Order deadline: Friday, November 18 at 12:00 PM

Have you tried **74CO5**? This Steveston family-run business offers delicious Mexican delights delivered directly to your door. All you need to do is order online (<https://www.74co5.com/>) anytime this school year and put "Homma" in the "Special requests" section (15% of all orders will support the Homma PAC).
