QUICK SURVEY

Student Learning Survey

Help us plan for the future – tell us about your education experience. Students in Grades 4, 7, 10 and 12, their parents and all staff in B.C. public schools are invited to participate in an annual online satisfaction survey about their school experience.

The survey covers a range of topics, providing a comprehensive picture of the educational experience in B.C. public schools. Questions were developed with input from partner groups, teachers and experts in educational measurement and inclusive education.

Select Richmond District and Homma from the drop-down lists. Parent surveys are also available in 18 additional languages and takes about 30 minutes to complete.

- Parent Logon: The parent and guardian/caregiver survey is now available online at <https://www.awinfosys.com/SurveyFull1/central/main/access.asp> or **CLICK HERE** and is available in 18 different languages (go to the “Parents” section, and under “District”, select “38 Richmond” and then select your child’s school under “School”).
- The survey will be available until Friday, May 2 and will take approximately 30 minutes to complete. Your responses are voluntary and anonymous, and your child will not be identified as a result of your participation in the survey.

The survey is available online from January 6 to May 2.
