Daily Health Check

SHOULD I GO TO SCHOOL
TODAY?

We appreciate your support in keeping your child home when they are not feeling well. **Students should not come to school when they are sick.**

If your child is not feeling well please continue to keep them home until their symptoms have resolved. If you know your child will be absent for a range of days, please leave that information as well.

Staying home when sick helps keep our entire school community healthy including teachers, admin staff and students. **Please do your part and stay home when sick.**

Last day for the Running Club,
is Tuesday, June 3, 2025.

CLASS PLACEMENTS Consideration Letters Due June 9th

The staff will be gathering and sharing information in preparation for student placement in September. As professionals, the staff devotes much time, care and effort in determining September 2025 placement for each child. Sometimes, parents are able to provide the school with **new information** about their child.

This input **should not include a request for placement with a specific teacher** but rather some important personal or educational data that will assist us with our decision. This could include:

- your child's learning strengths, interests and needs and/or their learning style
- peers that you believe might help your child to feel connected, to work productively and to be a successful learner.

It is important to note, that while we take your information into account as part of our discussions, we are not able to guarantee requests. Should you wish to provide the school with this information, please send a letter by email to **Mr. David (mdavid@sd38.bc.ca) no later than Monday June 9th, 2025**. All class placement consideration letters will be shared with teachers.

Late requests or verbal requests will not be considered.

Thank You
