## Daily Health Check

SHOULD I GO TO SCHOOL

We appreciate your support in keeping your child home when they are not feeling well. **Students should not come to school when they are sick.**

If your child is not feeling well please continue to keep them home until their symptoms have resolved. If you know your child will be absent for a range of days, please leave that information as well.

Staying home when sick helps keep our entire school community healthy including teachers, admin staff and students. **Please do your part and stay home when sick.**

#### **OUR PHILOSOPHY - WHY WE DO IT**

**This is an event for everyone. The BCEC provides a fun and safe competitive experience for grade 3-7 athletes of all abilities. We welcome elementary school aged athletes (ages 9-13) whether they are new or experienced to the sport of Track & Field; or whether they represent a participating school, or not. Anyone can register. No prior qualifying events are necessary. There is also a Track Rascals race for 8 years and younger crowd on Saturday.**

## Late Item Drop Off at School

Please note that there is an increasing number of items being dropped off during instructional times at school. This includes - band instruments, lunches, snacks, water bottles, homework, etc. As such, please label and leave items on the lunch table outside of the office. So that there are minimal disruptions during instructional time in classroom, we will make a general call down just before recess and lunch to students to pick up their items.
