Parent Reading Program

One to One Reading is looking for volunteer parents to step up for the upcoming school year. This volunteer reading program is a once per week commitment for 2-3 hours. Ideally at the same day and time each week, the volunteers would be paired with students that are recommended by teachers. The 1:1 sessions last for 30 minutes and are held in the school during school hours. The program starts next October but we do need to know how many volunteers are available asap. This is open to both French and English students Parents are welcome to connect with PAC if they have any questions or interest.
