ELL & Resource Support

Families that have children that have received ELL support this term, will be receiving paper copies of their child's ELL report for the 2024-2025 school year. Also, some students who have received Learning Resource support may also be provided a paper copy of a supplemental report. Paper copies are going home for these two types of reports because MyEd does not have the capability to attach these reports to the Final Summary of Learning. Thank you for your understanding and support.

EPI Pens & Medications

If your child has an EPI pen, or other medications, at the school office, these will be sent home with the student at the end of the day on Wednesday, June 25. If you'll be leaving on holiday before this date, please pick up before you leave for the summer.

Thank you.

Have you lost something?

**Our LOST AND FOUND is

Garden Volunteers Summer 2025

Thanks to our amazing school community, most weeks in July and August are already covered with garden volunteers! We're down to just one open week, and a few more that could use a second family, we need your help to fill them.

If you haven't signed up yet, please consider helping out, a few hours of your time will go a long way in keeping our garden healthy and productive over the summer. Come September, students will return to a garden full of fresh vegetables and fruit—thanks to you! Mrs. Regan will follow up with all the details once we have the schedule finalized.

We truly appreciate your support in keeping our garden thriving!
